Fundraising is easy as 1, 2, 3

Fundraising is one of the most important elements of Bike MS. Each cyclist must raise at least \$200, but the majority of cyclists go above and beyond. All donations are tax-deductible. We provide several online tools and steps to make the fundraising process even easier than you can ever imagine.

Step #1: Know your networks

Step #2: Set your fundraising goal

Step #3: Share your commitment & make a plan

Funds raised from Bike MS are vital in providing programs and services to thousands of local families affected by MS.

A fun recreational ride, not a race

The adventure of the Bike MS experience begins not on the first day of the event but the moment you begin training for it. The training process is a journey unto itself that will reward you with better health and fitness, greater calmness and energy in your daily life, more self-confidence, and more fun in the ride itself.

TRAININGPEAKS & ONLINE TOOLS TO GUIDE YOU

We've teamed with TrainingPeaks, the official training software of Bike MS! TrainingPeaks is an interactive, web-based training log and food diary designed to help individuals achieve their health and fitness goals. Download custom-written cycling training plans, developed exclusively for us by renowned cycling expert Joe Friel, author of "The Cyclist's Training Bible".
